

SCROFULOUS SORES

Many Afflicted Three Years.
Tried Many Doctors Here and
in England Without Benefit.
Cured by Cuticura.

My wife having suffered from Scrofula sores on the back for three years, and at times she could not lie down at night, and she tried all the doctors I could get, and also went to England to try and be cured there, and all of them failed, and told her they could do nothing for her, and having tried all kinds of remedies I at last tried one box of your Cuticura Remedies, and today she is as well as any person living, and I for one can recommend Cuticura Remedies as the only one I could find to effect a cure.

25 Bay Street, Cleveland, Ohio.

Scrofula Ten Years

I had a running sore in my ear of a scrofula nature for ten years. Had been treated by several physicians, but obtained no relief until I tried Cuticura, which healed it up in a few days. This was more than three years ago, and I have had no trouble with it since. I consider your Cuticura Remedies unsolicited for the disease you claim to cure.

STABBED FOUR TIMES.

An Unknown Man Leaps Upon
a Gas Works Employee, in the
Dark.

William Broyles, residing at No. 6 Madison street was stabbed four times Monday night by an unknown man, while on his way home through the Ft. Wayne yards. Broyles is employed at the Gas works. He was on his way home about 10 o'clock when he was accosted by an unknown man dressed in black and wearing a straw hat. The man caught each other with their arms, but during this struggle the stranger whipped out a big knife and stabbed Broyles twice in each arm and when the injured man started to run away the fellow followed him. He is unable to give a description of him. Broyles is able to work but he feels pretty sore. Officers Brihan and Harding are looking up the case. It is thought the man made a mistake. He was evidently laying for some one with the purpose of hitting him, but jumped onto the wrong man.

A Female Gun Squad.

Down at Strasburg last Saturday we
had the pleasure of seeing the Female
Gun Squad, of Wilmett. This organiza-
tion is composed of eight of the best look-
ing young ladies of our sister village, and
they are commanded by that veteran and
prince of good fellows, Henry Gerlock R.
The young ladies went through the
routines of arms like old veterans and
they made a very handsome appearance
in their neat fitting blue uniforms. Wil-
mett is to be congratulated for to our
knowledge there is not another organiza-
tion of the kind anywhere in the State
and possibly the United States.—Beach

I was troubled with catarrh for seven
years previous to commencing the use of
Ely's Cream Balm. It has done for me
what no other so-called cures have failed to
do—cured me. The effect of the Balm
seemed magical.—Clarence L. Huff, Bid-
deford, Me.

After trying many remedies for catarrh
during the past twelve years, I tried Ely's
Cream Balm with complete success. It is
over one year since I stopped using it and
have had no return of catarrh. I recom-
mend it to all my friends.—Milton T.
Palm, Reading, Pa.

To the Democratic Patrons of the Louis-
ville Postoffice.

A report being in circulation to the
effect that I would continue in my present
business should I be elected for postmas-
ter of Louisville, Stark county, O., is false,
as I intend to devote my entire time to
the discharge of my duty in serving the
patrons of the Louisville Postoffice, and
being able to do so in three different
languages.

Yours really,
EDWARD J. CHAPPIUS,
Louisville, O.

A BAD TRICK.

A Youth's Carelessness the Cause
of a Playmate's Injuries.

Frank Vignos, aged ten years, son of
Major Vignos on Monday afternoon
played a trick on a little fellow five years
old that will make the little fellow for
life. The victim was little Melville Yost
son of John Yost of West Fifth street. He
was out on the sidewalk when the elder
lad came along pushing a lawn mower.
The lawn mower youth, noting that the
Yost boy's attention was attracted to the
revolving knives told him to stick his
fingers in there. The little chap inno-
cently obeyed and the index and middle
fingers on his left hand were horribly
mangled. One of them had to be taken
off but an effort is being made to save the
other.

The Contract Was Valid.
